CLASH IN DENVER—THREE KILLED

Injured Number 13—Police Fire When Crowd Rushes Car Barns

CALL STRIKE OFF

Expect Federal Troops to Help—Outlying Districts Being Patroled by Members of American Legion

Denver, Aug. 7.—Three men were killed and 13 injured when rioting was resumed by striking street car men and their sympathizers at the East Side car barns last night.

The dead are Dan Flannigan, Charles Hanson and John Collins, all of Denver.

Leonard Tremmer, 18, of Denver, was so seriously injured he may die.

A crowd of several hundred gathered about the barns early in the evening but contented itself with shouting until shortly before 8.30 o'clock, when an effort was made to close in on the barns. The move was met with a fusillade of shots from those protecting the barns. A detachment of armed police was on duty at the barns and the 150 strikebreakers housed there also were armed.

The strike of trainmen employed by the Denver Tramway Company was called off by the executive committee of the Tramway Men's Union shortly before midnight tonight.

Federal troops are expected to arrive in the city tomorrow to assist the police force. The Governor received a telegram from the chief of staff at Chicago stating that 500 troops would leave Camp Funston, Kansas, for Denver by early today.

The chief of staff also authorized Governor Shoup to call on Fort Logan just outside of Denver, for troops for immediate use, but no call had been made on there up to a late hour last night.

Judge Greeley W. Whitford, in the District Court this afternoon, ordered leaders of the striking street car train men to recall immediately the order issued last Sunday for a strike on the Denver tramway system. The Judge found seven officers and executive committeemen of the carmen's union guilty of contempt for calling the strike.

The strike leaders were alleged to have violated an injunction obtained by the city several weeks ago restraining the company from reducing wages and the men from striking. The men now are striking for higher pay.

Between 400 and 500 American Legion members, wearing the uniforms which they wore during the World War, are patroling the outlying district.

GIRL WHO COULDN'T READ FORTY WORDS DEPORTED

Breindel Kultche, 20 years old, a Jewish girl from Poland, was deported from the Ellis Island Immigration Station because of her inability to read the forty words required by the so called literary test of the new immigration laws. She came here with a brother aboard the steamship Rochambeau on July intending to join another brother, Alex Kultche, who lives in Brooklyn and is prosperous.

Several appeals were taken to Washington but they were unavailing, and the girl and her brother were placed aboard the French liner La Savoie and sent back.

THE AIM OF EDUCATION

The student says books.
The scholar says knowledge.
The preacher says character.
The minister says service.
The philosopher says truth.
The artist says beauty.
The epicurean says happiness.
The stoic says self-control.
The Christian says self-denial.
The democrat says self-government.
The statesman says co-operation.
The ruler says loyalty.
The patriot says patriotism.
The judge says justice.
The aged man says wisdom.
The youth says achievement.
The soldier says courage.
The editor says success.
The manufacturer says efficiency.
The banker says wealth.
The dreamer says vision.
The child says play.
The maiden says love.
The man says work.
The friend says friendship.
The pedagogue says personality.
The physician says health.
The biologist says growth
The psycologist says unfoldment.
The socialist says adjustment.

But the true educator says all of these, and more, must be the aim of education. To realize many of these ideals of education, the true educator feels that the school needs greater co-opration, greater support, greater efficiency. Our schools are doing a wonderful work, but not half as wonderful as they should do.

The aim of education is broader than mere scholarship. The schools, endeavoring to promote scholarship, are doing good; but scholarship alone is only a part of the great work of education. Education is broader even than the schools.—M. M. Parker, Milledgeville, Ga.

BRITISH DELIVER ULTIMATUM

London, Aug. 7.—Krassin and Kameneff were summoned to Downing street yesterday afternoon and the conference lasted five hours. The whole Russian-Polish situation was gone over and the issues narrowed down to close limits.

The soviet delegates displayed a desire for peace, but were informed peace depended upon a stoppage of the Russian advance.

The soviet delegates promised to communicate with Moscow and to try to get an answer by Sunday, when Mr. Lloyd George will be accompanied by Field Marshal Wilson and has arranged to meet Premier Millerand and Marshal Foch. It is not decided yet whether the meeting will be held at Bologne or Folkstone.

Mr. Lloyd George talked in the painest manner to the Russians, informing them that unless peace is made immediately the whole power of the Western Allies will be used to crush the soviet system and every counter revolutionary movement will be encouraged financed and munitioned, while a most rigorous blockade will be instituted immediately.

On the contrary, if the soviets are reasonable and promise to cease trying to extend their system outside of the Russian borders, trade will be reopened and the soviets will be given an opportunity to prove whether they are able to rule under most favorable conditions. It is too soon to say that the crisis is ended, and the situation must be considered serious until an answer is received on Sunday.

Meantime the navy has been ordered to be ready for instant action

WARSAW'S FATE IS IN BALANCE

Reds Gathering Force For Fresh Assault On Polish Capital

BRITAIN WARNS RUSS

Allies Will Crush Soviet System if Peace is Not Made Quick—Lull In Fighting

Paris, Aug. 7.—The fate of Warsaw still haags in the balance.

The latest news reaching Paris tonight, which was somewhat sparse, indicates that the Bolsheviki are making little progress; that the impulse which carried them forward continuously during the past week, has spent itself, but that they apparently are gathering force for a fresh onslaught.

Advices received by the French Foreign Office from the Polish front give the impression that there has been a lull in the fighting and a stabilization of the line during the last two days.

The enemy artillery apparently is short of ammunition and there has been delay in bringing up guns and shells to a position from which they can be rushed for the final dash to within shelling range of Warsaw.

Airplane scouts over the Red line, probably members of the Kosciusko squadron, report a heavy movement across the Bug river of stores of ammunition, guns and materials of all kinds by the enemy.

Several squadron of cavalry are reported to have been bivouacing on the same spot for the last 24 hours, resting.

The Foreign Office has no official confirmation of the report received from Warsaw that Gen. Maxime Weygand, assistant to Marshal Foch, has offered to assume supreme command of the Polish Army.

No official Bolshevik communication concerning the fighting was picked up by the Eiffel Tower wireless station from Moscow today. The only message received confined itself to reporting the meeting of the Third Internationale and a protest against Polish atrocities.

RAIDERS GET MUCH LIQUOR

Seize $200,000 Worth in New York; $20,000 in Elizabeth, N. J.

New York, Aug. 7.—Prohibition enforcement agents today announced seizure of $200,0000 worth of fine cognac and other imported intoxicants from the Arthur Kraus Company, making nearly $400,000 worth of liquor seized in New York in the last week. In three visits to the Kraus establishment 1,284 cases and 2 barrels of liquor were alleged to have been found.

Elizabeth, N. J., Aug. 7.—Thirty-six prohibition enforcement agents from Newark and Philadelphia made a series of unexpected raids here yesterday, visiting twenty five places and confiscating intoxicating liquor valued at $20,000.

Passaic N. J., Aug. 7.—So great was the crowd that pressed around two hotels here, which were being raided yesterday by twelve Federal enforcement agents, that police reserves had to be called out to maintain order. The Federal officers confiscated 25 cases of liquor.

NAVAL SCHOOL BARS 2 BOYS

Annapolis, Md., Aug. 7.—Naval Academy authorities discovered an attempt today on the part of a young man who was appointed to the academy recently to secure entrance as a midshipman by having another candidate impersonate him and pass examination for him. The latter already had passed mental test and had been assigned as a midshipman before the matter was brought to light.

Both young men made a clean breast of the affair to Capt. Bronson, acting superintendent, and a representative of the Department of Justice.

The act carries a penalty of ten years imprisonment but it has been determined in view of the youth of the offenders that the criminal charges will not be pressed. The young man examined has been dropped and the appointment of the man impersonated has been cancelled. Authorities have withheld the names of the men.

Ready Dollar Day

Bargains Galore Will be Ready at Participating Stores

Next Tuesday is the day—the day thrifty men and women of the city have been anxiously awaiting and which will, no doubt, see a number of kinks put in old High Cost of Living.

It marks the August Dollar Day Sale and promises more extraordinary bargains for every member of the family than any Dollar Day sale that has been held in the city during the past two years.

Dollar Day was inaugurated in August, 1918 and since that time has grown so much in volume of business transacted that no longer it is necessary to make a canvass of the merchants of the city to find out how many intend to take part. All are ready and anxious for the dawning of the day of this big event and bigger and better values have been offered on each occasion since the starting of Dollar Bargain Festivals.

And the sale next Tuesday promises better things for shoppers than has any previous sale. The Gazette will carry the advertisements of the large number of merchants that are taking part in the sale next Monday afternoon and it behooves every shopper or prospective attendant at the sales to go over the lists of items carefully and make his or her shopping tour effective and easy.

The following is the list of merchants who are taking part:

Eddy and Gerber, 900 King Street; Swan Brothers, King and Pitt Streets; Bendheim's 417 King street; Downham and Ridgely, King and Pitt Streets; Levinson Clothing Co., 426 King Street; Katz's Shoe Store, King and Royal Streets; M. W. Gaines, 422 King Street; S. F. Dyson and Bro., 420 King Street; Bradshaw's Shoe Store, 510 King Street; R. E. Knight and Son, 621-25 King Street; M. Sperling, 615 King Street; Elliott, 604 King Street; B. Abramson, King and St. Asaph Streets; H. Friedlander, 410 King Street; Mrs. C. E. Bradley, 414 King Street; Harry A. Bramow, King and Washington Streets; Julius Wolf, 423 King Street; Alexandria Pressing Co., 712 King Street; L. Goldman, 923 King Street; Kaufmann and Blumenfeld, 402 King Street.

SECOND BAPTIST STILL IN LEAD

Three More Sundays Will Mark Close of Contest

STANDING OF SCHOOLS

Contest Narrow Down Between St. Paul' and Second Baptist—Two Tie For Fifth Place in Race

The Second Baptist Church increased her standing again last Sunday in the Y. M. C. A. attendance campaign being conducted in the Sunday schools of the city this summer. But St. Paul's Sunday school, which has consistently held the lead throughout the campaign also increased her standing, thus tightening her hold on first place.

St. Paul's increase in attendance last Sunday was even greater than that of their nearest rival, jumping from 154 per cent Sunday, July 25th, to 186 per cent last Sunday. This was an increase in the weekly per centage of 32, while at the same time the Second Baptist increased their per centage 17. But to jump from 203 per cent in Sunday School attendance in the middle of the summer to 0220 per cent in just one week is certainly worth mention.

Grace church which has held the cellar position all summer jumped into eighth place this week as a result of the drop in the weekly attendance at Christ Church. But every summer the Christ church Sunday school dismisses its primary department for a month, August being their vacation time. This dropped the per centage of that school for the week to 65 and let the Grace church step into their place in the standing. That was the only standing change of the week.

It is a pretty race being staged between the Second Baptist, St. Paul's schools and the entire Sunday school population of the city is keenly watching it. And the race is doing wonders for the schools. This may be seen in the fact that with the primary department of Christ Church dismissed, cutting the attendance so sharply, the general attendance for the day in all schools increased by 4, jumping from 1553 to 1557.

The summary: St. Paul's attendance 121, week's per cent. 186, average per cent 177; Second Baptist attendance 209, week's per cent 220, average per cent 173; Methodist Protestant attendance 133, week's per cent 177, average per cent 143; First Baptist attendance 351, week's per cent 100, average per cent 125; M. E. South attendance 306, week's per cent 98, average per cent 118; Trinity M. E. attendance 90, week's per cent 118, average per cent 118; Second Presbyterian attendance 146, week's per cent 91, average per cent 106; Grace Church attendance 103, week's per cent 99, average per cent 104; Christ church attendance 98, week's per cent 65, average per cent 100.

It will be noticed in the standing that the M. E. Church South and the Trinity M. E. Church tied for fifth place with a per centage each of 118.

BAMBOOZLING THE PUBLIC

Is the public so gullible as our politicians seem popularly to suppose? The question is brought up by the edifying spectacle of Senator Harding, under the impression that he was going to prove to the public that he is a "real printer," throwing aside his coat, rolling up his sleeves and setting to work to make up the first page of his paper, in Marion, while, as a side issue several motion picture machines hard by recorded his actions. The keynote of the whole situation, however, is found in the report says the Richmond Journal. "All work at the newspaper plant suspended while the pictures were being made and employees gathered about to see their boss working while they loafed." It is not a question whether or not Harding would make a better President because he can make up a newspaper. Such a theory would be obviously absurd, though he will, if elected, certainly make all the better a President because he once had to make up a newspaper as part of his daily toil for a living. It is simply a matter of the dignity and expediency of such grandstand plays as the one just recorded and whether or not the public is bamboozled by them. Will it see anything significant in a man in the act of posing as a "real printer" permitting every employee in the place to cease work to watch him in the busiest hour of the newspaper day? Will it not stamp the whole proceeding as a pose, make all the clearer the chasm that now yawns between Senator Harding and "real printers?" Of course, it is supremely harmless but is not it and any similar incident just a little ridiculous? Let Harding have his Petit Trianon if he must, but let him credit the public with sufficient intelligence to see through it.

THE FIREMEN

The Virginia State Firemen's Convention will meet in Alexandria the latter part of this month. All Alexandria is going to help give the firemen a true old time Virginia reception the like of which they never received before.

Alexandria feels proud of Virginia's fire fighters. She is especially proud of the men in Alexandria who go unflinchingly at the risk of their lives to battle the flames at all times in response to an alarm.

It is the duty of every citizen of Alexandria to help these men enjoy themselves while they are here this month. Without our fire departments we would be in a serious condition, it being one of the city's most valuable adjuncts.

Alexandria's firemen for the most part are volunteers and, of course, are without compensation. It is for love of city and their fellow townsmen that they are ever ready to give their all in case of a fire and let us see on this occasion that we are ready to do our part by them.

Senator Harding is front call engaged in attacking the democratic stand on the peace treaty, in order to divert public attention from his own embarassing situation with respect to that vital question. Doubtless Harding is an acrobat of some parts or the wiley republican leaders would not have chosen to stand on a platform supported by nothing but a lean and hungry longing for the fat jobs and the succulant pork barrel upon which the republican politician was wont to expand into statesmanship in the good Anti-Wilson days.

Let Harding first tell the world how he can be in "complete harmony" with "No League" Johnson on the one hand and "mild reservations" Taft on the other.

Altoona, Pa., Aug. 7.—A conference of operators and representatives of 3000 striking miners in the Broad Top field is being held today to adjust differences, if possible. Conciliators from the Department of Labor, Washington, and officers of the national and district organizations of the United Mine Workers will also attend.

SPORTS

In this column Wednesday it was announced that the Dreadnought A. C. would play the Peerless A. C. Saturday afternoon, the management has found it necessary to cancel this game owing to the inability to get the players for a week day game.

The Torpedo Plant team has agreed to play the Peerless club and the game will be played at 3 o'clock sharp as scheduled.

The Dreadnoughts will stack up against the Linworth Athletic Club tomorrow at 3.00 o'clock on the High School grounds.

It is expected to be a close battle all the way as the Linworth Club comes here fresh from a victory over the Knickerbockers, who had previously won twenty four straight games.

There may be one or two new faces in the line-up of the local club, one position especially being badly in need of bolstering, Manager MacDonald has looked over some new talent and expects to make at least one change this week.

Dick Woodward has been engaged to umpire this contest so that both teams will be sure of a fair deal.

ACCUSED OF STEALING BIBLE

Uniontown, Pa., Aug. 7.—So attracted with his parson's Bible was Thomas Leftwich, a negro, that Rev. William Smith, pastor of an East End congregation, alleges that when Leftwich departed, after a visit to the Smith home, the Good Book went with him. The clergyman accused Leftwich of stealing the Bible, which has been recovered.

There was a time, a few months ago, when houses for rent or for sale were conspicuous by their absence. When families were leaving the city for other places, owing to the fact that they were unable to beg, borrow or rent a place in which to live.

However, this condition does not exist in such great measure today. Houses are more plentiful now than at any time during the past few years but this condition may not remain.

Real Estate dealers throughout the city are continually asking the question—Why should a man pay a big rental for a house, when for a small initial cash payment, he can buy a piece of property and pay for it on the same conditions as paying rent for a home?

In an effort to further the purchasing of property, the various real estate dealers of the city have banded together and every Saturday they are planning to run a number of specially good bargains in real estate and it is to the best advantage of any prospective property owner in the city to read these advertisements, then make a personal visit to the offices or office and then visit the property and find out the value of the house or property advertised.

Don't fail to watch for this page of advertisements in every Saturday edition of the Gazette until further notice.

WESTERN RIOT CENTRES

More Troops Sent to West Frankfort, Ill., After Mob Drives Foreigners Out

West Frankfort, Ill., Aug. 7.—Although West Frankfort was quiet today after a night of wild rioting, Major Wilbur Satterfield, in charge of the militiamen here telegraphed Adjutant General Dickson for 500 additional troops. Major M. E. Satterfield expressed the belief that the rioting might be rendewed at any moment.

The homes of many foreigners were fired, and the residents were clubbed and mauled as they emerged from the burning buildings to escape incineration.

Following a night of rioting in which five persons are believed to have been killed and scores injured, comparative quiet was restored. Approximately 5000 foreigners, against whom the rioters directed their attacks, had left town, and this, coupled with the arrival of 150 militiamen of the 9th Illinois Infantry, tended to bring about order.

A number of homes were burned and a pool hall was wrecked. The mob at its height, numbered about 4000 men. Foreigners fled in all directions, taking what articles of property they could with them. The outbreak got under way shortly after 10 o'clock last night and continued to nearly daybreak. At times the mob split up in sections, and it was reported that some divisions drove foreigners into nearby woods.

PHANTOM BANK ACCOUNTS

Employees and Two Business Men Arrested in Unique Fraud

New York, Aug. 7.—A unique scheme of bank defrauding, which the police say netted about $65,000, resulted today in the arrest of two employees of the M. Beradini State Bank and two business men. The money, it is alleged, has been misappropriated monthly since 1917 from the gross profits of the bank, by being credited to two fictitious accounts, on which the outsiders were permitted to withdraw. After each withdrawal, according to the police the pair divided with the two bank employees.

SILK STOCKINGS FOUND GUILTY

Chiropodists Blame Hosiery For All Varieties of Foot Trouble

Philadelphia, Aug. 7.—Daniel W. Springer, Tamaqua, Pa., had given up hope that there was any cure for the crippled foot of his daughter, Irene, now 16 years old.

He brought her to the convention of the National Association of Chiropodists today. One of the doctors discovered that her trouble of ten years' standing was only a case of the misplacement of three small bones in her foot. He set these bones with his fingers. The girl threw away her arch supporters, waking away without a bit of pain.

Dr. Edward Adams, of New York City, who spoke on "Ulcers of the Feet" asserted that a surprising number of cases of this trouble were caused by scratching a foot clad in a silk stocking. This completed the case against the silk stocking. During the convention it was accused by various chiropodists of causing practically every variety of foot ailment.

GOOD PROGRAMS AT THEATRES

Living up to her reputation of being the most lovable vamp of the comedy drama part of motion pictures, Constance Talmadge delighted a goodly portion of Alexandria's theatre patrons at the Richmond last night when she appeared in one of her latest First National releases, "The Perfect Woman."

She beat the system, the bolsheviks and the woman hater—before she finished the system had gone smash, the Bolsheviks were in jail waiting to be sent back to their native stamping grounds and the womanhated fell like a ton of brick. Patrons who failed to see this picture last night will have another opportunity tonight as the same play is to be repeated.

Monday afternoon and evening, the attraction at the Richmond will be Charles Ray, the most popular "rube" character on the screen today in "Red Hot Dollars." In this picture he is a young machnist, who settles a feud and wins a girl and is a picture that is sure to please.

The hilarious and piquant story of a young wife who wanted a wild man for a husband and got more than she bargained for, is slated to furnish entertainment for Alexandria theatregoers Tuesday, when Metro presents "Parlor, Bedroom and Bath," a picture version of one of the greatest stage comedies ever produced.

"Wanted—A Husband". This is the title of the picture that carries dainty little Billie Burke in the title role and which will hold the boards at the Richmond theatre Wednesday and on the following day Ethel Clayton appears in Rupert Hughes great novel, "The 13th Commandment."

Tom Mix, rip-roaring western hero is at his best in H. H. Van Loan's great story, "Three Gold Coins" and the management of the Richmond theatre has booked this big attraction for Friday and Saturday, of next week.

Several excellent pictures are to be shown at the Ingomar theatre during the coming week, beginning Monday with Enid Bennett in "The Woman in the Suitcase"; Tuesday, Paramcunt-Artcraft Special "Dangerous Hours"; Wednesday, Doris Kenyon in "The Harvest Moon."; Thursday, Gladys Brockwell, in "Rose of Nome"; Friday Bryant Washburn in "Mrs. Temple's Telegram," and closing the week on Saturday with William Russell in "A Live-Wire Hick."

Amundsen Expects Journey to Last 5 Years; Escort of Ships

Nome, Alaska, Aug. 7.—Captain Roald Amunsden, Norweigan explorer, left Nome Tuesday to resume his attempt to reach the North Pole, he announced today. He plans to steer his vessel, the Maud, for Wrangell Isand, off the northern coast of Siberia, and from that point to drift with the Arctic ice pack.

ATTACKED WOMAN HE WAS SHOWING VACANT HOUSE

New York Aug. 7.—Charged with attempting "cave man" love tactics, Herbert R. Houghton, wealthy real estate operator, was held in $10,000 bail today on complaint of Mrs. Helen Birch, member of a prominent family of Rochester and the widow of Dr. Herbert E. Birch, of that city.

Mrs. Birch was confined to her apartment today, suffering from bruises and shock incurred in her house hunting expedition with Houghton as guide.

"I had seen Mr. Houghton only once before in my life," said Mrs. Birch last night. "I was in his real estate office three or four minutes. He was very courteous, signed the receipt and I went out. Thursday morning he phoned and told me of another very attractive house that he thought I might be interested in leasing. I met him there about 5 o'cock the same afternoon.

"As we were going up the stairs to the third floor, he took hold of my arm. I rebuked him. As we eached the landing he pushed me into an ante-room.

"We must have struggled for half an hour before I was able to persuade him to leave me alone. I ran home as fast as I could, although I was as weak as I could be. Mrs. Lyle, my housekeeper, told the police.

"I have been annoyed on the street before by men, but I have never before experienced anything like this."

According to the detectives, Dr. Monk, attending Mrs. Birch, said she is still in a highly nrvous condition and will be unable to leave her bed for a week. Dr. Monk declared she is suffering from two bruised ribs, bruises over her arms and legs and body and a sprained back.

FIRST GERMAN GOODS APPEAR

Cutlery Offered for sale in Canada and New York at Same Time

The first German-made goods offered for sale on this side of the Atlantic since the armistice have appeared simultaneously in Ontario, Canada, and in New York, according to reports reaching the Department of Commerce yesterday.

The article in question is the Boeker razor, which used to sell in the American market in competition with American razors for about $2.50. It is now offered at $7. This razor in pre-war days cost five marks in Germany. with the mark at its normal value of 24 cents this meant $1.20. The same razor is now sold for fifty marks in the land of its manufacture.

The United States affords a better market for German cutlery than Canada because the Canadian duty is collected on the normal value, while in the United States duty is collected on the current exchange value of the currency of the exporting country.

NOT AN ISOLATED CASE

Many Similar Cases in Alexandria and Vicinity

This Alexandria man's story given here is not an isolated case by any means; week after week, year after year, our neighbors are telling similar good news.

H. J. Duner, policeman 310 North Columbus Street, Alexandria, says: "I have used Doan's Kidney Pills off and on for a good many years and have always had good results. Before I tried them I was troubled a great deal with pains in the small of my back, which were so bad I could hardly bend over sometimes. I had miserable headaches and dizzy spells, too. The kidney secretions passed too freely. I am glad to say that since I have used Doan's Kidney Pills I have been free from all that trouble and have felt a great deal better in every way. I am not afraid of my back hurting. I use a few of Doan's once in awhile and they keep my kidneys in fine shape."

Price 60c at all dealers. Don't simply ask of a kidney remedy—get Doan's Kidney Pills—the same that Mr. Duner had. Foster-Milburn Co., Mfgrs., Buffalo, N. Y.

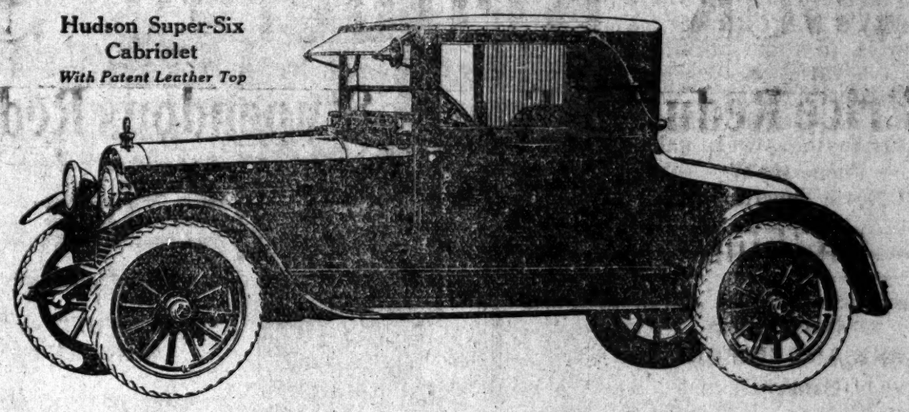
HUDSON SUPER SIX

Hudson Super-Six Cabriolet
With Patent Leather Top



Another New Hudson Model

The Cabriolet With Roadster Capacity and Finest Car Comfort and Distinction

For the owner-driver who must use his car in all seasons and who demands first-class transportation, we recommend the new Hudson Super-Six Cabriolet.

An earlier model of this type was one of the most popular cars that ever carried the Hudson name plate. But the new car has many advantages over it. There is greater efficiency and reliability—just as has marked the progress of the Super-Six with each succeeding year. And there is greater comfort and, of course, the newest and most advanced appointments. The smart lines and easy driving, comfortable riding qualities of the earlier model are retained.

It is as alert in action as a hare—a quality which accounts for much to those who must drive on congested highways, when the ability to weave in and out through traffic, without effort to driver or car, means much in time and motor satisfaction.

The Cabriolet answers every want of the roadster type and gives in addition full protection in all seasons, and a rich distinction possible only to the highest type enclosed car.

THEIR NAME EMBASSASSED THEM; IT WAS HELL

Chicago, Aug. 6.—Peter Hell has grown tired of the jibes of friends and strangers on his name. His son, O. Hell, otherwise Otto, said he attracts too much attention on the hotel registers. Then little sister Mary, sometimes called "Merry" Hell, joins with the rest of the family in a petition to Judge McGoorty for permission to poke an "e" out and put an "a" in the name. They will be "Hall" in the future.

Good Light Lightens Labor : :

Lighting the kitchen is like lighting a factory. Good lighting quickens production, as the factory man would say. In other words, it makes work go faster without the expenditure of any more energy.

Of all places needing more light and better light the kitchen in most homes is one of the most important. And when you have doubled or trebled the light in your **work** rooms, try it also in your **living** rooms.

If you find that doubling or trebling the illumination there mean glaring light, **don't** cut down the amount of lighting again—**shade** the light better! Keep the direct rays from striking the eye. Throw some of the light to the ceiling and walls.

In every socket—in every room from cellar to garret—use only

EDISON MAZDA LAMPS

If you will do that, you will find that a great deal more light in the room is decorative, pleasing and restful. It's not the amount of LIGHT that you find irritating in some rooms, but the amount of GLARE.

OUR METER MEN REPORT THAT A NUMBER OF OUR CUSTOMERS ARE USING CARBON LAMPS. WHY NOT BE UP TO DATE? USE MAZDA LAMPS—BETTER LIGHT—LOWER BILLS.
